- 13 Gauge Under Structure

- Lifetime Frame Warranty
- 4 Seat Heights
- 10 Standard Shell Colors
- *Unlimited Color Matching

* Minimum quantity of 500 units may be required for special colors.

Millennium™ Chair Specifications

Frame: 16", and 14" units: 1-1/8" diameter, 16-gauge legs swaged to 7/8" diameter. 12" and 10" units: 1" diameter, 18-gauge legs swaged to 3/4" diameter. All units are welded together with two seat brackets of 13-gauge die-formed steel, integrally tying all tube parts for maximum structural integrity. Units store with posi-lock™ stacking system. Chairs can be stacked within like sizes. Frame is chrome plated after all welding is complete.

Standard Chrome Finish: Chrome is comprised of metal layers (Nickel & Chromium) electrostatically bonded to metal. Our standard is 4-6 mills (25%-50% more than our competitors) of Nickel—it will not scratch. Our product is chromed on plateable quality tubing after all welding is completed to prevent rusting on unfinished welds.

Glides: Nylon or steel, your choice. Swivel design, case hardened steel, super silent deep ferrule. All glides make full level contact with floor. Designed so the maximum swivel angle of the glide is not violated.

Shell: One-piece shell is injection molded from special high impact, bluish resistant polypropylene plastic with an antistat additive. Textured surface is etched to provide a non-slip surface while assisting in maintaining like-new appearance. Flanged opening in the back adds strength and ventilation. The underside of the shell is molded with an advanced rib pattern transferring weight directly to the frame. The shell is attached to frame with four concealed machine rivets.

Shell Colors:

16", 14", 12", and 10" available colors: Navy, Beige, Burgundy, Teal, Grey, Black, Primary Red, Primary Blue, Primary Yellow, and Primary Green.

See the 2500 Millennium Seating Specifications for additional color selections.

Warranty:

- Limited lifetime frame warranty
- Five year shell warranty
- Two year finish/wearing parts warranty

Models:

- 2506+16" ■ 2502+12"
